J. Richard Kirkham of In Home Computer Help Honolulu is a dual-certified teacher and computer expert in Honolulu, Hawaii. He provides professional lessons and troubleshooting for computers, cell phones, and tablets. He specializes in working with seniors and small business owners, utilizing teaching techniques to help clients retain what they've learned and overcome their fear of technology. As a teacher since 1993, he has the unique ability to transfer knowledge effectively and patiently, making the learning process fun. He offers in-home and remote services throughout all of Oahu.
